

(Match report prepared by Jeff Swartz)

The first Airgun Field Target event of 2021 at Fairfield Sportsmen's Association was held on May 2nd. It was a very comfortable day around 65-70 degrees with just a bit of a breeze here and there.

The course was intended to be a moderate 31T to get the season started on an easy note. But, the change of format to 10 lanes of 3 targets each required some adjustments to both fit the terrain and make targets less visible to other lanes. There were also some target swaps and other last minute changes and after everything was entered into the course planner, the course was a rather difficult 33.59T. Thankfully, the course wasn't dark enough to warrant a difficulty adjustment as the leaves and foliage hadn't yet grown in fully.

We had 11 shooters in 4 different classes. In the most represented class, Hunter PCP (7 shooters), Donnie Reed took the top honors shooting a 51. Jeff Swartz followed with 48 and Ryan Spanagel with 45, finishing in second and third place respectively. Justin Roberts also shot a 45 and the tie between he and Ryan was broken by score on the standing targets, of which Ryan hit 2 to Justin's 1. Keith Walters took first in Open PCP with a match high score of 56 and topped Ted Andro's 46. Eric Jones (Hunter Piston) and Chris Oldfield (WFTF PCP) were the lone participants in their classes.

A big "thank you" to Baker Airguns for supporting us and providing the 2 \$50 gift certificates we raffled off.

Thanks to all who attended,

Jeff Swartz and Ryan Spanagel
