

(Match report prepared by Jeff Swartz)

The third Airgun Field Target event of 2021 at Fairfield Sportsmen's Association was held on Sunday, July 19th. The match conditions were nearly windless in the woods and the temperature was a very comfortable 80 degrees for most of the match. The only discomfort felt by the shooters was caused by some pesky mosquitoes.

The course consisted mostly of targets that were either moderate or hard with a couple easy targets mixed in. The most difficult shots were one with a 3/8" KZ at nearly the max allowable yardage (17.5 yards), and a kneeling shot with a 1.5" KZ target at the max allowable yardage (45 yard). The overall Troyer rating was a 30.9T, which increased to 31.9T after extreme dark lighting conditions were factored in on 4 targets.

We had 4 shooters in the Hunter PCP class and 1 in Hunter Piston. Jeff Swartz took first with score of 52, followed closely by Chris Oldfield in second with a 50 and Ryan Spanagel took third with a 47.

We want to thank Baker Airguns for their continued support and sponsorship of airgun sports in the Ohio.

Thanks to all who attended,

Jeff Swartz and Ryan Spanagel
