

(Match report prepared by Jeff Swartz)

The second Airgun Field Target event of 2021 at Fairfield Sportsmen's Association was held on June 6th. The weather conditions were warm (75-80 degrees) and overcast. We had some very light rain at the start of the match which dissipated within a half hour. There was little if any wind.

The course was set up easier than our first FT match (which was 33.59T), at just under 30T. It was noticeably easier, but definitely not a pushover. Due to foliage growing in, we were able to tuck a few targets into very dark spots on the course. The adjusted Troyer rating was 31T.

We had a disappointing turn out of only 4 shooters, all of which were in the Hunter PCP class. Donnie Reed extended his winning streak at FSA to 2 matches with a stellar 1st place score of 57. Jeff Swartz followed in second with a 56 and Justin Roberts took third with a 53.

No raffle was held due to the low turnout, but as always we thank Baker Airguns for their support and sponsorship.

Thanks to all who attended,

Jeff Swartz and Ryan Spanagel
