

(Match report prepared by Jeff Swartz)

The 2nd 2020 100-Yard Airgun Benchrest match at Fairfield Sportsmen's Association was held on September 20th. Seven competitors gave it their best on a day with very tricky shifting winds. I personally know that at some point throughout the day I held high, low, left, right and various combinations of all of the above. Everyone in attendance chose to enter the ASA 3-Card Challenge and therefore all scoring was done with a .35 caliber plug, the maximum caliber allowed by ASA rules. We normally would shoot 2 qualifying cards and then have the places determined by one final card. But, we had a discussion before starting and the majority were in favor of shooting 3 rounds and using the combined total to determine the top 3 places. Three shooters were using a .30 cal, two used a .25 cal and two shot a .22 cal. We would like to thank the Airgun Benchrest Channel for donating a scope phone cam set up that we raffled off. Thank you to all who attended.

Jeff Swartz and Ryan Spanagel
