

(Match report prepared by Jeff Swartz)

Fairfield Sportsmen's Association held their fourth Airgun Field Target event of 2021 on Sunday, September 5th.

Some early morning rain dissipated just before the gates opened at 9:00 AM. The match remained overcast much of the day with a little sunshine creeping in here and there. The day was nearly windless in the woods, though there were a few shots blown off target by a light breeze here and there. The temperature was very comfortable around 80 degrees for most of the match.

The course was set up with a challenging Troyer rating of 33.29T before lighting conditions were factored in. There was only 1 target under 20T and 1 target over 45T, and 50% fell into the "hard" category (30T-40T). The course lacked a lot of long shots over 50 yards, which I believe made it feel easier than its rating.

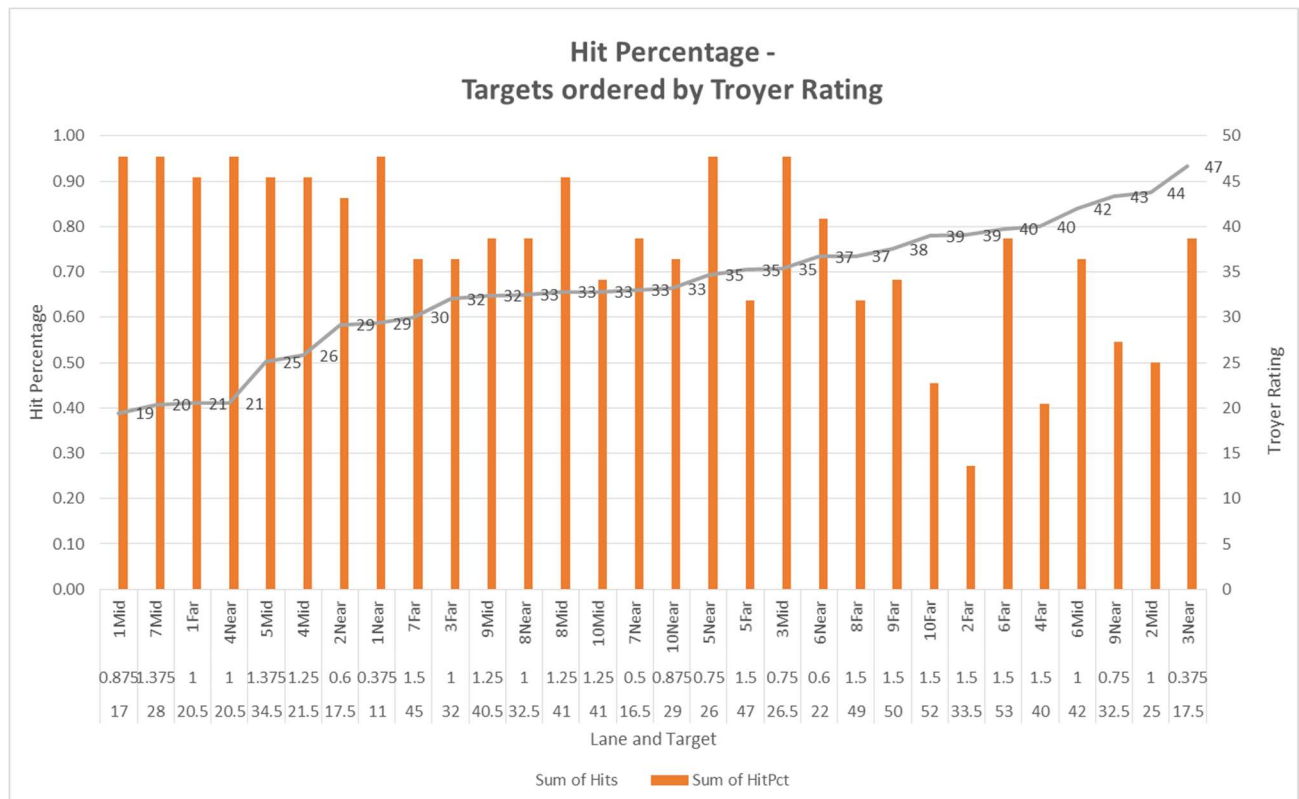

We had 3 classes with 1 shooter each. Tyler Patner turned in the match high score of 56 in WFTF PCP, Ted Andro shot a 50 in Open PCP, and Chris Oldfield shot a 29 in WFTF Piston. Out of the 8 participants in Hunter PCP, Mike Gann topped them all with a solid 55, followed by Jeff Little close behind with a 54 and Jeff Swartz rounding out the top 3 with a score of 52.

Three lucky raffle winners walked away with \$50 gift certificates courtesy of Baker Airguns. We thank Baker Airguns for their continued support and sponsorship of airgun sports in Ohio.

Thanks to all who attended,

Jeff Swartz and Ryan Spanagel
