

(Match report prepared by Jeff Swartz)

The 6<sup>th</sup> 100-Yard Airgun Benchrest match of 2022 was held at Fairfield Sportsmen's Association on Saturday, October 22.

We experienced some of the strangest wind conditions we've seen at FSA, and FSA is known for tricky wind conditions later in the day. While the wind never seemed to blow very strongly, there was rarely a consistent speed. Add in frequent directional changes that happened all in the span of a minute or two. There were times that every other shot was right-to-left and back to left-to-right. I believe everyone was shooting far more sighters than usual, and scores were some of the lowest we've had in a long time. This was only the second time in 3 years that a score under 650 took the top spot.

There were 14 shooters occupying every usable bench. Our top 2 finishers shot the 2 highest scores of the day in the third round to leapfrog over several others ahead of them. Robert Moore shot the high score of the day, a 224, to take 1<sup>st</sup> place. He shot a 646 9X total score. A newcomer to our benchrest events, but obviously not a rookie shooter, Keith Frye shot the second highest score of the day, a 221, to move into 2<sup>nd</sup> place with a 639 7X. Jeff Swartz who had the lead through 2 rounds fell to 3<sup>rd</sup> place with a total score of 632 10X.

We had 9 shooters who participated in the "Fun Card" to end the day. We decided that the top score would win a prize. Gary Barnes shot his best score of the day, a 214 1X to claim a hat from Hawke Optics. Thank you Hawke for the very nice donations! Please make sure you thank all of our sponsors (Pyramyd Air, The Best Airgun, Hawke Optics, and Baker Airguns) by considering them for all of your air gunning needs. Buy local and buy in Ohio. Thank you to all who attended, sincerely, Jeff Swartz and Ryan Spanagel
