

(Match report prepared by Jeff Swartz)

Fairfield Sportsmen's Association held their first 100-yard benchrest match of 2023 on Saturday, April 15.

The morning started off a bit on the cool side, but as the hours ticked by the temperatures kept climbing and topped out a little above 80 degrees. The first 3 rounds saw moderate winds speeds with little difference between rounds. However, the light winds are tricky as they shift left and right randomly and without warning. The most detrimental wind to scores were the few extreme downward pushes. The second set of 3 cards was shot after the sun came out and wind increased tremendously. It was strong enough that we were having quite a bit of difficulty just trying to staple targets up.

We had 13 shooters show up to shoot our "Main" event. When all scores were totaled up, Robert Moore came out on top by 2 points for the win. He shot a 665 9X. In second place was Jeff Swartz with a 663 9X. Third place was Garry Barnes who posted a 661 6X. It was a very tight race at the top with only 4 points separating 1st-3rd. The highest single card of the day was a 228 4X shot by Jeff Swartz. After the main event was complete, we quickly transitioned into a second 3-card match. The second match was focused on finding our top .22 caliber pellet shooter. While only 4 people came prepared to shoot .22, there were 6 others that chose to have another try with a larger caliber. The winds really picked up and drove most of the shooters' a little crazy, especially those shooting .22. In the end, Tim Swan was in first with a very respectable 635 9X considering the conditions. We had a record keeping error and wrote down Joe Polanco as shooting .25 when he shot .22. Although he wasn't recognized at the event, he finished second with 610 6X. That bumped Jeff Swartz down to third place with 608 3X.

Please make sure you thank all of our sponsors (Hawke Optics, Pyramyd Air, Baker Airguns, and The Best Airgun) by considering them for all of your air gunning needs. Buy local and buy in Ohio.

Thank you to all who attended,

Jeff Swartz and Ryan Spanagel
